

SPM® MENUS FACIAL

Three menus to suit every taste

BASIC

SPM® Pure. The test menu:

Cleansing with a warm compress or face lotion followed by SPM® - three-phase to smooth the skin with moisturising collagen gel. For a radiant complexion!

Recommended price:

from 39 euro (single treatment)

Treatment time:

30 minutes

CLASSIC

SPM® Advanced. The menu for connoisseurs:

After cleansing massage in a strong peeling to prepare the skin optimally for the treatment. Then the SPM® complete package follows. Lymph drainage to cleanse the tissue, activation of the metabolism and the toning finish, combined with skin-firming follow-up care. For a healthy complexion.

Recommended price:

59 euro (single treatment)

Treatment time:

45 minutes

DELUXE

SPM® Professional. The luxury experience.

A special cleansing experience with face lotion, warm compress and smoothing peeling prepares the skin for a deluxe treatment.

All the SPM® phases (lymph drainage, activation, toning) bring instant results which can be seen and felt. A toning booster ampoule is then applied and gently massaged in. Highly dosed active substances for a smooth, youthful-looking skin. Finally a lifting mask is applied and massaged in after a few relaxing minutes. This creates a healthy, smooth and young skin with a Weyergans glow.

As a special the toning booster can also be worked in with ultrasound.

Recommended price:

79 euro (single treatment)

Treatment time:

60 minutes

SPM® MENUS SKINCARE

Three menus to suit every taste

CLEAN

SPM® for acne:

Cleansing with face lotion followed by SPM® lymph drainage to cleanse and detoxify the tissue. This means that collagen enzymes can resume their work and regenerate the skin from the inside out. Draining toxic substances leads to a balance of the skin's PH level, self-healing powers and the immune system are boosted. After the SPM® application the anti-acne treatment can be completed with ampoules and face packs.

Recommended price:

from 39 euro (single treatment)

Treatment time:

30 minutes

SENSITIVE

SPM® for couperose/telangiectasia and sensitive skin:

Cleansing with mild face lotion or cleansing milk followed by all three SPM® phases with the focus on lymph drainage to remove pressure from the blood vessels. Couperose treatments can be carried out completely with SPM-S Fluid → horse chestnut extract to strengthen the vessels. Make sure to work in the lower pressure level (10-open, 5-LD,8-A,10-S). A cooling, lightening, mild pack is ideal after the treatment, a hyaluron/horse chestnut concentrate can also be applied beforehand. A product with aloe vera is perfect for the final phase.

Recommended price:

59 euro (single treatment)

Treatment time:

45 minutes

ANTI AGEING

SPM®, zone treatments:

Let us open your eyes:

Quick cleansing with face lotion, opening of the lymph nodes, drainage of neck, face and eyes, activation around the eyes (especially crows' feet, eyebrows and frown lines) and firming from the eyelid to the hairline (also frown lines!).

Add-on to facial treatment:

12-15 minutes – 19 euro

Only eye treatment:

15-20 minutes – 24,90 euro

Kissable lips:

Quick cleansing with face lotion, opening of the lymph nodes, drainage of neck and area around the mouth, activation especially in the upper area, in the nasolabial fold and also gently on the lips (volume!). Firming of the upper lip and nasolabial areas.

Add-on to facial treatment:

10-12 minutes: 15 euro

Only lip treatment:

15 minutes – 19 euro

VITAMIN POWER TREATMENT

FRUITY REGENERATION FOR A HEALTHY GLOW

BASIC

For beginners

Cleansing with Pure Cleansing Gel, practical Pure Peeling Pads and tingling Tone Up followed by SPM® three phases to smooth the skin of the face, neck and décolleté. Then pat in Complex Multivitamin Concentrate. Apply High Derm as a pack, massage in and remove residue. For firm, radiant skin.

Recommended price:

49 euro (single treatment)

Treatment time:

30 minutes

CLASSIC

For connoisseurs

After cleansing with Pure Cleansing Gel with its refreshing fragrance, mild Soft Peeling and the skin "champagner" Tone Up the skin has been ideally prepared for the treatment. This is followed by the SPM® complete package. Lymph drainage to cleanse the tissue, activate the metabolism and enrich the skin with fresh oxygen and the toning finish. Then Complex Multivitamin Concentrate and Hyaluron Acid are worked in (optionally with ultrasound). To round off the treatment, apply the summery Crystal Collagen Gel Mask which provides 15 minutes of pure relaxation. For the finishing off phase use a little High Derm, the rich vitamin pack with nourishing wheatgerm oil. Regeneration, repair and relaxation in one.

Recommended price:

69 euro (single treatment)

Treatment time:

45 minutes

DELUXE

For the pampered

Cleansing and detox with a warm compress soaked in Styler Bath, fruity Soon Future Cleansing Mousse and mild Soft Peeling prepare the skin for a deluxe treatment. Nourishing 4-component oil rounds off the cleansing process leaving a silky-soft finish.

Then all the SPM® phases (lymph drainage, activation, toning) lead to an instant result which can be seen and felt. When the skin has been perfectly prepared through the SPM® application and supplied with oxygen, a special ampoule mixture is massaged in: vitamin A, hyaluron & Complex Multivitamin form the ideal composition for a healthy skin with a radiant complexion. This mixture can also be worked in using ultrasound. For the finishing touch, the Crystal Collagen Gel Mask enriched with the 100% vitamin C powder "High C" is applied for 15 minutes.

Vitamin power at the highest level.

Recommended price:

89 euro (single treatment)

Treatment time:

60 minutes

V-SHAPE TREATMENT

Lifting power for the face

BASIC

For beginners

Cleansing with a warm compress then three-phase SPM® to firm the facial skin, focusing on the areas of the chin and neck. For firm, radiant skin.

Recommended price:

49 euro (single treatment)

Treatment time:

30 minutes

CLASSIC

For connoisseurs

After cleansing with a warm compress, oil and Styler Bath, Soft Peeling is massaged in to prepare the skin optimally for the treatment.

This is followed by the complete SPM® package. Lymph drainage to cleanse the tissue and activate fat metabolism and the toning finish, combined with FC-L Gel which can be best worked in with ultrasound.

Recommended price:

69 euro (single treatment)

Treatment time:

45 minutes

DELUXE

For the pampered

A detox cleansing experience with a warm compress soaked in Styler Bath and mild Soft Peeling pave the way for a deluxe treatment.

All the SPM® phases (lymph drainage, activation, toning) lead to an instant result which can be seen and felt.

Following this an ampoule is massaged in consisting of a professional mix of cell booster Meso Stemcell combined with Meso Hyaluron and the metabolism booster Meso Carnitin. Highly dosed active substances for a smooth complexion – and no double chin!

Finally rich Pure Platinum is applied as a pack and then massaged in, resulting in a silky treatment finish.

As a special the toning mix can also be worked in using ultrasound.

Recommended price:

89 euro (single treatment)

Treatment time:

60 minutes
